**Sharon's Thoughts:** Welcome and thanks for joining us for the 20th Annual Wahoo Country Music Show. Whether you're here for the first time or the 20th time, thank you so much for joining our family, our musician family and our music loving friends. I've told many folks that the Wahoo Country Music Show is a life changing experience. I'm grateful for the lives we've touched, the friendships that have developed and the effort of every musician and volunteer. Each and every one makes this a great event that preserves traditional country music and family oriented social events. I'm blessed to be in the presence of some of the kindest people on earth and I'm extraordinarily grateful that you took the time to join us this year.
