**Sharon's Thoughts:** For twenty-one years I've had the privilege to work with so many amazing musician and volunteers. I've met an impressive group of thoughtful, generous and dedicated country music fans. Most importantly, I've seen life-long friendships made among those who've attended this festival for many years and they welcome new faces as if they're old friends. There's no place I'd rather be than at the Wahoo Country Music Show and I hope my dedication to organize this festival makes you feel welcome, at home and happy to be here with me, my family and friends. I'm grateful you are here with us, to enjoy the music, to laugh, to dance, or just tap your toes and clap your hands. Welcome to the 21st Wahoo Country Music Show, now we're friends.
